Nandan Nilekani, co-founder and co-chairman of Infosys, the corporate services giant, offers an insider's view of his home country's remarkable progress and ever-present challenges. He pulls no punches in detailing India's problems, ranging from political to cultural to economic matters, but in so doing, he paints a revealing portrait of a nation slowly coming to grips with myriad issues.

Imagining India Free Summary by Nandan Nilekani

Book Summary: Imagining India by Nandan Nilekani. The book presents a generalists view of post-independent India. Unlike India Unbound, this book focuses primarily on post-independent India and takes a more pragmatic approach towards understanding the problems of contemporary India. The best parts of the book are the interesting contradictions which the nation went through – love/hate relationship with the English language, fear of technology and neglected urban development.
