The company handbook/employee handbook is a formal collection of the administrative policies and procedures of a company. Aside from the fact

that the handbook is, in many cases, the first formal correspondence the company will have with an employee, and it may be requested by investors, the handbook also formalizes the operations of the business, providing a reference that a new employee can ...

Administrative Policies and Procedures | Bizfluent

Many small organizations fail to keep up-to-date operational procedures either due to lack of awareness about such things or because they do not have skills to develop and maintain them. In this regard, we have come up with samples of management and administrative policies for NGOs, which can be freely referred to for developing some of their own.
